

# **The Type Founders, LLC dba Adam Ladd Design End User License Agreement**

THIS IS A CONTRACT BETWEEN YOU, THE LICENSEE AND THE TYPE FOUNDERS, LLC DBA ADAM LADD DESIGN (“TTF”), THE LICENSOR. IT IS A LICENSE TO USE THE FONT SOFTWARE SUBJECT TO THE TERMS AND CONDITIONS CONTAINED IN THIS LICENSE AGREEMENT.

BY ACCEPTING TTF’S FONT SOFTWARE (ELECTRONIC FONT SOFTWARE), OR BY DOWNLOADING THE SOFTWARE AND CLICKING THE “YES, I AGREE” BUTTON (OR SIMILAR ONLINE ACCEPTANCE MECHANISM) ACCOMPANYING THIS LICENSE, LICENSEE ACKNOWLEDGES THAT IT HAS READ ALL OF THE TERMS AND CONDITIONS OF THIS AGREEMENT, UNDERSTANDS THEM, AND AGREES TO BE BOUND BY THEM. FONT SOFTWARE IS NON-RETURNABLE AND NON-REFUNDABLE.

## **1. Third-Party Purchasing Agent.**

If you are acting as a third-party purchasing agent for a business or organization, you represent and warrant that the business or organization for which you are acting has consented to this Agreement. You further agree that as a third-party purchasing agent for a business or organization, you have no rights to use the Font Software whatsoever, but you agree to be bound by the Agreement in its entirety as if you were the end user.

## **2. Ownership.**

This Agreement does not constitute an exclusive sale of the original product to the Licensee. The Licensee acknowledges and agrees that TTF retains all intellectual property rights, title, and ownership of any of its electronic font software. This title and ownership extends to copies of the font software installed on any computer, downloaded to any output device, or retained on other media by the Licensee as a backup.

This Agreement does not grant Licensee any rights to patents, copyrights, trade secrets, trade names, trademarks (whether registered or unregistered), service marks, font software rights, design rights or any other rights, franchises or licenses in respect of the electronic font software. The font software is protected by copyright including without limitation, by United States Copyright Law, international treaty provisions, and applicable laws in the jurisdiction of use. TTF reserves all its rights under these laws.

The Licensee further acknowledges and agrees that the structure, organization and source code of the font software are valuable trade secrets and confidential information of TTF. No rights are granted to Licensee other than a License to use the electronic font software on the terms expressly set forth in this Agreement.

Wherever and whenever design and production credits are displayed (such as a colophon), user of this font software agrees to list the font names and credit TTF as the trademark and copyright owner.

## **3. Copy Restrictions.**

This product is copyrighted and contains proprietary information and trade secrets of TTF. Unauthorized copying of this product is expressly forbidden. Licensee is permitted to create backups of the font software, provided that: (a) they are stored only at the site where this product is licensed, and (b) the full copyright information is included with

each backup copy. Licensee may be held legally responsible for any infringement of TTF's intellectual property rights that is caused or encouraged by Licensee's failure to abide by the terms of this Agreement.

#### 4. Permitted Uses.

This product is licensed only to the Licensee, and may not be transferred, sold, leased, rented, lent, shared, assigned, distributed or sublicensed to any third party at any time without the prior written consent of TTF. Licensee may not modify, make error corrections, enhance, translate, adapt, alter, decompile, disassemble, decrypt, reverse engineer, change or alter the embedding bits, the font name, copyright or trademark information, nor any other proprietary or legal notices contained in the font software, nor seek to discover the source code of the font software, convert into another font format, create bitmaps, create Web fonts with proprietary or third party tools or otherwise, add or subtract any glyphs, symbols or accents, or any other derivative works based on the electronic font software in this product in whole or in part, whatsoever. Licensee may not duplicate, modify, adapt, translate or create derivative works based on the printed materials that may have been supplied with this product.

#### 5. No Other Use.

Licensee is only granted the rights expressly stated in this Agreement at the time of purchase as indicated in ADDENDUM A. Licensee may not use the TTF font software for any other use whatsoever.

#### 6. Embedding Restrictions.

PDF embedding of the font software into PDF documents is only permitted in a secured read-only mode that allows only printing and viewing, and prohibits editing, selecting, enhancing or modifying the text by means of obfuscation or encryption. Licensee must ensure that recipients of PDF documents cannot extract the TTF font software from such PDF documents or use the embedded font software for editing purposes or for the creation of new documents.

#### 7. Special Font Licensing.

All commercial for-profit usage requires a Special Font License upgrade and is available for the following scenarios: Web Servers, Server-based applications, VPN, Web to Print technologies; Web fonts (to be used for page 'views' only), fonts incorporated into videos, film clips or movies on the Web; static, animated images, or graphics being used for iOS, Android and other unique non-traditional uses. Editable PDFs, PDF editing software (such as PitStop, uPDF), PowerPoint, Flash, Silverlight or other non-static files or situations where the font software is embedded or subset into electronic documents that permit editing, selecting, enhancing or other modification of the text. Using any and all TTF software without the appropriate Special Font License is expressly prohibited.

#### 8. Termination.

This Agreement is effective until terminated. This Agreement will terminate automatically without notice from TTF, if the Licensee fails to comply with any provision contained herein, or upon your bankruptcy

#### 9. General.

Nothing in this Agreement is intended to, or shall be deemed to, establish any agency, partnership or joint venture between Licensee and TTF, nor authorize either Licensee or TTF to make or enter into any commitments for or on behalf of the other. Licensee agrees that they will not export or re-export the Software in any form without the appropriate United States and foreign government licenses.

#### 10. Severability.

If any provisions of this Agreement are held to be invalid, illegal or unenforceable, then such provision(s) shall be severed from it, and the validity, legality and enforceability of its remaining provisions shall not be affected or impaired.

#### 11. License Agreement.

This Standard License Agreement represents the entire License Agreement between the Licensor and Licensee. This Agreement supersedes any other prior License Agreement that may have been included with or embedded in the font software or previously displayed by TTF on its own website, or those websites of its Authorized Distributors or Resellers. This Agreement may only be modified by TTF in writing expressly stating that such writing is intended to modify this License Agreement.

#### 12. Jurisdiction.

In the event that TTF asserts a claim arising out of or relating to this Agreement or the alleged breach thereof, TTF may initiate either litigation or arbitration to resolve the claim, and the other party agrees to abide by the decision of TTF. In the event that arbitration is selected, the controversy or claim shall be settled by binding arbitration by the American Arbitration Association by a single arbitrator in accordance with the Commercial Arbitration Rules of the American Arbitration Association then in effect, and judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. Any arbitration proceedings will be conducted in the New York, NY metropolitan area. Should TTF bring any lawsuit or proceeding against you to enforce this Agreement, TTF shall be entitled to receive its costs and reasonable attorneys' fees incurred to enforce this Agreement. ## ADDENDUM A: LICENSED USES

### SELF-HOSTED WEB FONT

For a term of years specified at the time you purchased this license, you may use and host the licensed Font Software on any website(s) owned or controlled by you that, in aggregate, receive(s) no more than number of visitors specified at the time you purchased this license per month to render content using the @font-face CSS selector. If the website(s) using the Font Software receive more than 25% of the licensed page view amount for any given month, you will be required to upgrade to a larger license adequate for the actual traffic. You may not use or access or allow end users to use or access Font Software: (1) as part of or in conjunction with any Application, (2) in a Commercial Product, or (3) embedded in or accessed via any unlicensed device or website. You must use the Font Software provided by TTF expressly for this purpose and may not convert any other formats for this purpose.

### EPUB EMBEDDING

You are permitted to embed or install the Font Software for use as a publication resource within the number of ePub titles specified at the time you purchased this license, for a term of years specified at the time you purchased this license, running on tablets, smart phones and other mobile devices using iOS, Android and other operating systems. You must use the Font Software provided by TTF expressly for this purpose and may not convert any other formats for this purpose.

### MOBILE APPLICATION (APP)

You are permitted to embed or install the Font Software for use as a publication resource within the number of App titles specified at the time you purchased this license, for a term of years specified at the time you purchased this license, running on tablets, smart phones and other mobile devices using iOS, Android and other operating systems. You must use the Font Software provided by TTF expressly for this purpose and may not convert any other formats for this purpose.

### DESKTOP

You may distribute the licensed Font Software to the authorized number of users as specified at the time you purchased this license and they may install the Font Software on their computer workstations to create static content for use on any and all consumer products and any and all print mediums. All users must belong to the same company or household purchasing the font. You are not permitted to embed the Font Software into software or hardware products in which the fonts will be used by the purchasers of such products or to distribute the Font Software to any 3rd parties or to convert the Font Software into other formats.

### GAME

You are permitted to embed or install the Font Software for use as a resource within the number of Game titles specified at the time you purchased this license, for a term of years specified at the time you purchased this license. You must use the Font Software

provided by TTF expressly for this purpose and may not convert any other formats for this purpose.

#### **BROADCAST**

You are permitted to embed or install the Font Software for use in linear, on-demand, streaming, terrestrial and cable video and other forms of video content (including, without limitation, DVDs or other physical distributions of such video content), throughout the world. You must use the Font Software provided by TTF expressly for this purpose and may not convert any other formats for this purpose.

#### **EMBEDDING**

You may distribute the licensed Font Software to the authorized number of users as specified at the time you purchased this license and they may install the Font Software on their computer workstations to create static content for use on any and all consumer products and any and all print mediums. Authorized users are permitted to embed the Font Software in electronic documents in a way that allows other users to edit the documents, even if they do not have the font files installed.

All users must belong to the same company or household purchasing the font. You are not permitted to embed the Font Software into software or hardware products in which the fonts will be used by the purchasers of such products or to distribute the Font Software to any 3rd parties or to convert the Font Software into other formats.
